**RULES OF PROFESSIONAL CONDUCT
OF
FLORIDA STATE BOARD OF ACCOUNTANCY**

Chapter 1

RELATIONS WITH CLIENTS AND PUBLIC

- 20-1.01 Independence
- 20-1.02 Discreditable Acts
- 20-1.03 Confidential Relationships
- 20-1.04 Contingent Fees
- 20-1.05 Fraud
- 20-1.06 Former Government Employees
- 20-1.07 Action by Another State
- 20-1.08 Employing Felons, Etc.

20-1.01 Independence

(1) A Certified Public Accountant or Public Accountant or a partnership or professional service corporation of which he is a partner or stockholder shall not express an opinion on financial statements of any enterprise unless he and his firm or professional service corporation are in fact independent with respect to such enterprise.

(2) Independence is not susceptible of precise definition, but is an expression of the professional integrity of the individual. A Certified Public Accountant or Public Accountant, before expressing his opinion on financial statements, has the responsibility of assessing his relationships, including any debtor and creditor relationships, with an enterprise to determine whether, in the circumstances, he might expect his opinion to be considered independent, objective and unbiased by one who had knowledge of all facts.

(3) A Certified Public Accountant or Public Accountant will be considered not independent, for example, with respect to any enterprise if he, or his spouse or minor child living in the same household, or one of his partners or costockholders (a) during the period of his professional engagement or at the time of expressing his opinion, had, or was committed to acquire, any direct financial interest or material indirect financial interest in the enterprise, or (b) during the period of his professional engagement, at the time of expressing his opinion or during the period covered by the financial statements, was connected with the enterprise as a promoter, underwriter, voting trustee, director, officer or key employee. In cases where a Certified Public Accountant or Public Accountant ceases to be the independent accountant for an enterprise and is subsequently called upon to re-express a previously expressed opinion on financial statements, the phrase "at the time of expressing his opinion" refers only to the time at which the Certified Public Accountant or Public Accountant first expressed his opinion on the financial statements in question. The word "Director" is not intended to apply to a connection in such a capacity with a charitable, religious, civic or other similar type of non-profit organization when the duties performed in such a capacity are such as to make it clear that the Certified Public Accountant or Public Accountant can express an independent opinion on the financial statements. The example

cited in this paragraph, of circumstances under which a Certified Public Accountant or Public Accountant will be considered not independent, is not intended to be all-inclusive.

General Authority 473.04 F.S. Law Implemented 473.04 F.S.

20-1.02 Discreditable Acts

A Certified Public Accountant or Public Accountant shall not commit an act discreditable to the profession.

20-1.03 Confidential Relationships

A Certified Public Accountant or Public Accountant shall not violate the confidential relationship between himself and his client.

20-1.04 Contingent Fees

Professional service shall not be rendered or offered for a fee which shall be contingent upon the findings or results of such service. This rule does not apply to cases involving federal, state, or other taxes, in which the findings are those of the tax authorities and not those of the accountant. Fees to be fixed by courts or other public authorities, which are therefore of an indeterminate amount at the time when an engagement is undertaken, are not regarded as contingent fees within the meaning of this rule.

20-1.05 Fraud

Any Certified Public Accountant or Public Accountant who has been found guilty of fraud or an attempt to defraud by any court or commission, committee or other tribunal established by law or who knowingly and willfully renders or participates in the preparation of a false or fraudulent report or tax return or who expresses or disclaims an opinion on financial statements known to be false or fraudulent without clearly indicating that they are false or fraudulent is deemed guilty of unethical practice.

General Authority 473.25 F.S. Law Implemented 473.25 F.S.

20-1.06 Former Government Employees

Any Certified Public Accountant or Public Accountant who accepts or takes part in any engagement, either on his or her own account, or as a member or stockholder of a partnership, professional service corporation or other organization, or as the employee of a Certified Public Accountant or Public Accountant involving any matters which give rise to a conflict of interests, with which the said Certified Public Accountant or Public Accountant has had prior contact as an employee of the United States Government or political subdivision thereof, is deemed guilty of unethical practice.

General Authority 473.04 F.S. Law Implemented 473.04 F.S.

20-1.07 Action by Another State

In case of suspension or revocation, for misconduct, of a certificate as Certified Public Accountant or Chartered Accountant issued by another state or political subdivision of the United States, or by a foreign country, which certificate was used by this Board as a basis for issuance of a reciprocal certificate pursuant to Section 473.20, Florida Statutes, or any prior law, such

suspension or revocation shall be grounds for revocation of the reciprocal certificate issued by the Board.

General Authority 473.20(3) F.S. Law Implemented 473.20(3) F.S.

20-1.08 Employing Felons, Etc.

Any Certified Public Accountant or Public Accountant who knowingly hires anyone or has anyone in his employ who has had his certificate revoked by the State Board of Accountancy, or has been disbarred by the Treasury Department or has been convicted of a felony and has not been restored to his civil rights, is guilty of unethical practice.

Chapter 2

TECHNICAL STANDARDS

20-2.01 Examination of Financial Statements

20-2.02 Content and Basis of Opinion

20-2.03 Expressing or Disclaiming Opinions

20-2.04 Estimates of Earnings

20-2.01 Examination of Financial Statements

A Certified Public Accountant or Public Accountant shall not express his opinion on financial statements unless they have been examined by him, or by a member, stockholder or employee of his partnership or professional service corporation on a basis consistent with the requirements of Rule 20-2.02. In obtaining sufficient information to warrant expressions of an opinion he may rely, in part, to the extent appropriate in the circumstances, on reports or other evidence of auditing work performed by another person who is licensed to practice as a Certified Public Accountant in a state or territory of the United States, or the District of Columbia, or as a Public Accountant in Florida, or performed by a firm at least one member of which is so licensed. In relying on the work of independent Public Accountants in foreign countries, the Certified Public Accountant or Public Accountant so relying must satisfy himself that the person or firm is qualified (and properly licensed where applicable) and that such work is performed in accordance with generally accepted auditing standards prevailing in this country.

General Authority 473.04 F.S. Law Implemented 473.04 F.S.

20-2.02 Content and Basis of Opinion

In expressing an opinion on representations in financial statements which he has examined, a Certified Public Accountant or Public Accountant shall be held guilty of unethical practice, if:

(a) he fails to disclose a material fact known to him which is not disclosed in the financial statements but disclosure of which is necessary to make the financial statements not misleading; or

(b) he fails to report any material misstatement known to him to appear in the financial statements; or

(c) he is materially negligent in the conduct of his examination or in making his report thereon; or

(d) he fails to acquire sufficient information to warrant expression of an

opinion, or his exceptions are sufficiently material to negative the expression of an opinion; or

(e) he fails to direct attention to any material departure from generally accepted accounting principles or to disclose any material omission of generally accepted auditing procedure applicable in the circumstances.

20-2.03 Expressing or Disclaiming Opinions

A Certified Public Accountant or Public Accountant shall not permit his name to be associated with statements purporting to show financial position or results of operations in such a manner as to imply that he is acting as an independent public accountant unless he shall:

(a) express an unqualified opinion; or

(b) express a qualified opinion; or

(c) express an adverse opinion; or

(d) disclaim an opinion on the statements taken as a whole and indicate clearly his reasons therefor; or

(e) when unaudited financial statements are presented on his stationery without his comments, disclose prominently on each page of the financial statements that they were not audited.

General Authority 473.04 F.S. Law Implemented 473.04 F.S.

20-2.04 Estimates of Earnings

A Certified Public Accountant or Public Accountant shall not permit his name to be used in conjunction with an estimate of earnings contingent upon future transactions in a manner which may lead to the belief that the Certified Public Accountant or Public Accountant vouches for the accuracy of the forecast.

Chapter 3

PROMOTIONAL PRACTICES

20-3.01 Solicitation

20-3.02 Bidding

20-3.03 Commissions, Etc.

20-3.01 Solicitation

(1) No Florida practitioner shall hold memberships in associations of specific industries or regularly attend meetings of such associations unless such memberships or attendance of meetings is unrelated to his practice as a Certified Public Accountant or Public Accountant. Florida practitioners shall provide the Board such information as it may, from time to time, require for the enforcement of this rule.

(2) No out of state practitioner practicing public accounting in Florida under Sections 473.13 or 473.24, Florida Statutes, shall hold memberships in associations of specific industries domiciled in this State or regularly attend meetings of such associations unless such memberships or attendance of meetings is unrelated to his practice as a Certified Public Accountant, Public Accountant or Chartered Accountant in this State. Out of state practitioners practicing public accounting in Florida under Sections 473.13 or 473.24, Florida Statutes,

shall provide the Board such information as it may, from time to time, require for the enforcement of this rule.

(3) The term "association of specific industries" as used in Section 473.29(5), Florida Statutes, and in this rule shall not be held and construed to include:

- (d) the National Association of Accountants or the American Accounting Association.

(4) Publicly advertising professional attainments or services as used in Section 473.29(4), Florida Statutes, shall be held and construed to include:

- (a) The publication in a newspaper, magazine or similar medium of an announcement or what is technically known as a card:
- (b) The listing in a directory of anything other than the name, title, address and telephone number of the person, partnership or professional service corporation. Listing of the same name in more than one place in a classified directory is prohibited.

20-3.02 Bidding

(1) A Certified Public Accountant or Public Accountant shall not make a competitive bid for a professional engagement. Competitive bidding for public accounting services is not in the public interest, is a form of solicitation and is unprofessional.

(2) As used in this rule, "competitive bid" means the submission of an offer to a prospective client, as distinguished from an existing client, or representative thereof by a Certified Public Accountant or Public Accountant or firm or professional service corporation thereof, either orally or in writing, directly or indirectly, to perform a professional engagement for an estimated fee, a fixed fee, or basis of fee as defined in this rule, when the surrounding facts and circumstances indicate that another firm, professional service corporation or person will be asked to make an offer, has been asked to make an offer, or has made an offer which has not been rejected, to perform the same professional engagement for an estimated fee, a fixed fee or basis of fee as defined in this rule.

(3) The term "professional engagement" as used in this rule means an engagement for the performance of any professional services which may be performed by a Certified Public Accountant, Public Accountant or firm or professional service corporation thereof.

(4) The term "basis of fee" as used in this rule means a quotation of range of fee by minimum and maximum amounts, a quotation of rates on a time basis, or any formula from which a money amount may be computed as an indicated basis of determining the actual or estimated fee.

(5) All applications for special permits required by Section 473.13(1), Florida Statutes, shall be accompanied by a statement of the applicant, or if it is a partnership or a professional service corporation, by a partner or stockholder of the applicant, to the effect that the current contract for the public accounting services to be performed in Florida was not obtained by competitive bid as defined by this rule.

(6) No Florida practitioner who is an agent for an out of state practitioner as provided in Section 473.24, Florida Statutes, shall perform public accounting services in the State, the contract for which was obtained by such out of state practitioner, unless he has ascertained with reasonable certainty that the current contract for such services was not obtained by competitive bid as defined by this rule.

(7) No Florida practitioner who has a permanent or continuing correspondent relationship with an out of state practitioner shall perform public accounting services in the State for such out of state practitioner, unless he has ascertained with reasonable certainty that the current contract for such services was not obtained by competitive bid as defined by this rule.

20-3.03 Commissions, Etc.

Commissions, brokerage, or other participation in the fees or profits of professional work shall not be allowed directly or indirectly to the laity by a Certified Public Accountant or Public Accountant.
